

**PSY 312  
FINAL EXAM**

**As with Exam 1 and 2, the final exam consists of 30 multiple choice questions (worth 1 point each), and three brief essay question (each worth 20 points) of which you are to select two to answer.**

**The multiple choice covers material from the reading assignments and lectures. The essay question address material presented in the lecture.**

**Chapters covered by the exam**

**Steinberg**

**Chapter 9**

**Chapter 10**

**Chapter 11**

**Chapter 12**

**Chapter 13**

From the lecture pay particular attention to issues related to types of autonomy addressed by the instructor, the relationship of intimacy to empathy, and the definition of passionate love. Be able to discuss the relationship between achievement and self-efficacy as presented in class.

Bring an unmangled Scantron (form No 882-E-LOVAS to class. Your brief essay answers are to be written on the exam.
